

Promotional Opportunities

Expo Coupons for Your Customers

Your coupon code gives your non-GEAPS member customers a 50% discount on a registration to visit the expo hall. All customers using the coupon code will pay the **discounted rate of \$25** per day for expo only registration, which offers them admittance to the expo hall with lunch included.

A Little Competition!

- Each exhibitor will receive an unlimited amount of coupons to share with customers and prospects.
- The company that has the most coupons redeemed this year will receive a credit toward their account for **a free non-corner 10x10 booth space to use towards future events.**

An email was sent to the exhibitor contact for your company with the coupon code you can give to your customers. If you have questions, please contact Brittany at brittany@geaps.com or call (763) 999-4300.

AGAIN THIS YEAR- Expo Only Registration Free to GEAPS Members!

Expo Only registration is free to GEAPS members! No need to provide your customers who are members of GEAPS with a coupon code for expo-only registration as they can attend the expo any or all days free of charge! Spread the word!

Exchange 2024 Proud Exhibitor Logos, Invitation Templates, and More!

Use the proud exhibitor logo in ads, on invitations, cover sheets or brochures, etc. to tie into GEAPS' extensive promotion of the Exchange and let everyone know you'll be there. Want to invite your customers to attend the Exchange but don't have time to draft the email? Use our invitation template! You can find these downloadable items in the online marketing kit: geaps.com/exchange/marketing-resources/

Exchange 2024 Registration list FREE

Focus your direct mail campaign specifically to Exchange attendees with a list from the registration database. The pre- and post-registration lists will be automatically emailed to the exhibitor contact for your company. The pre-registration list will be sent **after the registration early bird deadline of February 1, 2024**. To remain in compliance with data protection regulations, these lists will only include registrants who have actively opted-in to having their information shared.

Lead Retrieval Scanner or App

The lead retrieval order form is under the "Additional Services" section of the online exhibitor kit.

Online Company Profile- Exhibitor Hub

The information you list in your online profile will be showcased in our interactive expo hall floor plan that attendees can use to learn more about your company and see where your exhibit space will be located at Exchange 2024. A link to the interactive floor plan is published on the GEAPS website and will also be featured in the Exchange 2024 smartphone app. You can make changes to your online profile at any time, and they will be published online in real-time. Information on how to update your online company profile was emailed to the exhibitor contact for your company. If you need another copy of this email, please contact conferences@geaps.com or 763-999-4300.

Sponsorship

The Sponsorship Program gives your company the recognition that works with your promotional goals. Sponsorship contributions get you extra exposure at the Exchange, and companies can receive recognition in the Exchange Smartphone app, signage at the event sponsored, on the GEAPS Exchange website, and in our member newsletter, *In-Grain*. Check out the sponsorship page on our website here: geaps.com/exchange/sponsorship/. Feel free to contact Brittany Labatt at sponsorship@geaps.com for more information and questions.

Hospitality Suites and Events

Social events are an important and desired part of the Exchange experience. The GEAPS Board of Directors invites and encourages companies and individuals to take full advantage of the hospitality and networking opportunities the Exchange provides.

All Exchange attendees may hold private meetings consisting of company employees that are meant for internal business. Only exhibiting companies are invited and welcomed by GEAPS to produce and promote hospitality events in conjunction with the Exchange. Sponsoring companies with a giving equivalent to a booth space are invited and welcomed by GEAPS to produce, but not promote, hospitality events in conjunction with the Exchange.

Hospitality events are defined as those where the invitees include established customers or prospective customers. Such events must not conflict with any published Exchange programming and as such can be held pre-Exchange, post-Exchange or after hours during show dates.

Exhibitors are permitted to rent an open meeting room at the convention center for private meetings with customers only during expo hall hours or hours outside of Exchange program hours. Space reservations will be based upon room availability and contracting for meeting room space will be arranged independently by the exhibiting company and the convention center.

Giveaways and Drawings

Plan your on-site promotional giveaway or drawing with these guidelines in mind:

- Restrict your activities to your booth. They may not extend into the aisle or disrupt surrounding exhibits.
- To let people know they've won your prize: use a sign in your booth--an appointed drawing time that entrants know about; or ask for an announcement over the expo hall public address system during the closing hour of the show. A prize drawing form is available in the "SHOW MANAGEMENT - Promotional Opportunities" section of the online exhibitor kit.

Free Buyers' Guide Listings

Exhibiting companies are eligible for free Buyers' Guide listings! GEAPS' annual member directory and buyers' guide, is a great place to list your company. In addition to three listings in the directory, you can also take advantage of free listings in the [Online Buyers' Guide](#) on GEAPS' website. Contact the sales team at (sales@geaps.com or 763-999-4300) to take us up on this offer.
